■ Grand Heritage Hotel & Suites

Food Inventory & Consumption Official Report

Food & Beverage Operations Department • Inventory Control Dataset

This document provides verified monthly food inventory and weekly consumption records for **3 months: September, October, November**.

It tracks **10 key kitchen food items** categorized into Grains, Meat & Poultry, Dairy, Oils, and Vegetables. Each month contains item-wise opening stock, purchased stock, consumption broken down into **Week 1, Week 2, Week 3, and Week 4**, the monthly consumption total, and the ending closing stock. All quantities are recorded in realistic hospitality units: **kg, litres, and dozen**.

Report Identifier	GH-FNB-3M-2025
Client	Grand Heritage Hotel F&B Department
